Caesarstone Australia Opens New Flagship Premises

Caesarstone Australia now has a new home in Moorebank at our purpose-built, state of the art facility located conveniently just off the M5 Motorway in Sydney's west.

The new complex consolidates Caesarstone's office, showroom and warehouse operations and becomes the company's new flagship location in Australia. Naturally, Caesarstone's beautiful quartz surfaces feature throughout, from the awe-inspiring entrance foyer which uses floor to ceiling Frosty Carrina wall panels, to the kitchen area which has been tiled using Piatra Grey surfaces for a nearly seamless finish.

Just beyond the reception area, the bottom office level has been dedicated almost entirely to a new consumer showroom, elegantly showcasing Caesarstone's four product collections in large wall panels along with a working kitchen in London Grey and concept bathroom space.

Our new showroom provides added convenience for our outer suburb customers, whilst our Alexandria showroom – located just minutes from Sydney airport and open seven days – is the ideal central location to view Caesarstone from within the city and eastern suburbs.

Caesarstone's new Sydney headquarters cements the brand's position at the forefront of the quartz surfaces industry and raises the already impressive benchmark for innovation, quality and service.
